

**To Our Valued Partners and Community:**

Charlie's Produce top priority has always been the safety and wellbeing of our employees. We write this letter to share information about how we continue to operate safely and effectively for the sake of our community. Our customers and employees should be rest assured that Charlie's Produce management team is closely and continuously monitoring and taking action towards the coronavirus (COVID-19) situation, including conducting daily updates and responses to this evolving situation.

Charlie's Produce will do everything in its power as outlined in our summarized Action Plan below to safeguard employees' health and well-being during a coronavirus outbreak while ensuring Charlie's Produce's ability to maintain essential operations and continue providing essential services to our customers is maintained. Within the plan are specific action items Charlie's Produce is taking to safeguard employees' health and well-being.

**Action Items**

Charlie's Produce is actively devoting significant resources and efforts to help mitigate against possible adverse impacts from the coronavirus, and will continue working hard to provide the level of service customers have come to expect.
